Grueneich, in three separate meetings in San Francisco. At the meeting with Pres. Peevey also present was Lester Wong, advisor to Pres. Peevey. 3/17/05	A02-12-027	Southern California Gas Company, for authority to update its gas revenue requirement and base rates.
	A02-12-028	San Diego Gas & Electric Company (U 902-M), for authority to update its gas and electric revenue requirement and base rates.

I03-03-016            Order Instituting Investigation on the Commission's own motion into the rates, operations, practices, service and facilities of Southern California Gas Company and San Diego Gas & Electric Company.

**Summary:** On March 15, 2005, Marcel Hawiger, staff attorney with The Utility Reform Network, telephoned Belinda Gatti, advisor to Cmmr. Brown. Hawiger stated that significant changes on San Diego Gas & Electric Company's (SDG&E) electric system, such as new tree-trimming standards and increased undergrounding, have substantially decreased any SAIDI variability due to weather events. Hawiger stated that the data concerning tree-related outages and weather-related SAIDI show that these factors have been consistently low since 1999. Hawiger noted that this disproves SDG&E and CCUE's claim that it was mild weather in 2000 and 2001 that lowered the SAIDI five-year average. Hawiger also stated that both Southern California Gas Company and SDG&E had claimed improved customer satisfaction during the last PBR. Hawiger stated that it was inappropriate to base rewards on subjective customer satisfaction survey results, and that the Commission did not adopt customer satisfaction incentives for Edison in its last GRC decision.

                      I01-09-002            Order instituting investigation on the Commission's own motion to assess and revise the New Regulatory Framework for Pacific Bell and Verizon California Incorporated.

**Summary:** On March 14, 2005, Michelle Robinson, Vice President-Regulatory, Verizon California Inc. (Verizon), met with Lester Wong, advisor to Cmmr. Peevey, in San Francisco. Also present were Dr. Tim Sullivan, advisor to Cmmr. Kennedy, Aram Shumavon, advisor to Cmmr. Brown, Chris Poschl, advisor, for the Commission, and Rudy Reyes, Regulatory Counsel for Verizon. Written materials (attached to the notice) were used. Robinson and Reyes explained that it is in customers' interest for the Commission to modify the scope of Verizon's next audit, consistent with NRF, Public Utilities Code Section 314.5, and related Commission precedent, to minimize ratepayer expense. Further, Robinson and Reyes discussed how the scope of the audit, as defined in D02-10-020 and expanded in ORA's RFP, is overly broad, leading to greater costs and burdens that can and should be avoided by granting Verizon's petition to modify and motion to defer.
